

## Athens Post.

Athens, Friday, April 12, 1872.

**CARRIAGES, BUGGIES, WAGONS,**  
Manufactured and for sale at low prices,  
Jno. H. REYNOLDS, Cleveland, Tennessee.

### Wheat.

Our friends of the agricultural districts expect the wheat crop as promising enough. In some few localities it was injured by the inclement weather, but the average stand is good.

### The Peach Trees.

The peach trees are now in full bloom, and in the absence of any more heavy frosts there will be an abundance of peaches. We believe this is the year for a heavy fruit crop.

### Presbytery.

The Presbytery of Knoxville will meet in Mars Hill Church in this place on Thursday, 18th inst., at 7 o'clock p. m. Opening sermon will be preached by Rev. T. H. McCollie, of Chattanooga.

### Circuit Court.

Met on Monday, Judge BOYD presiding. A number of small cases have been disposed of, but nothing of large interest. We notice several members of the Bar in attendance from other localities.

### New Ministry.

Mrs. M. V. WOOD is just receiving a Fresh Supply of MINISTRY consisting of the latest novelties in Hats, Bonnets and Flowers.

Dresses cut and made on very reasonable terms.

### The Indian Doctor.

WILLIAM NORMAN is now ready to treat ALL KINDS OF DISEASES. He may be found at all times, except when professionally absent, at the residence of Mr. James Cunningham, near Sweetwater. He asks trial of his skill.

### Price Reduced.

The subscription price of the *Christian Index and South-Western Baptist*, Atlanta, Ga., has been reduced to \$250 per year. It is an excellent paper, and we are gratified to know it is receiving, as it richly deserves, large support.

### The Jolly Island Suit.

The suit in regard to the Jolly Island property, which has been in litigation for nearly a quarter of a century, is set for hearing in the Circuit Court at this place next Tuesday. The interest involved is large, and an unusual degree of legal ability will appear in the case.

### W. C. Bailey.

One day west of P. C. Wilson's, has made arrangements so that he will hereafter take all the Bacon, Lard, Corn, Corn Meal, Butter, Cheeses, Eggs, Feathers, Rugs, Bows, &c., you may bring him—in payment for which he will sell you Goods at reasonable figures.

### Personal.

Col. H. R. Yearwood, President of the Monroe Agricultural Society, gave a social a few days ago, who subscribed for the Poor Way back in 1848, and the papers still a welcome visitor to his household. He is one of the sort that never flickers, or goes back on a friend.

### Meigs County.

Several of our friends from Meigs county were in on Monday. Whenever Meigs visits Athens the financial pressure on the Post is apt to be relieved. And whenever the representative of the Post visits Meigs he always receives a generous and hearty welcome at the hands of the hospitable people of that county.

### All the World's a Stage.

And all the people merely players, and we surmise that a large portion of the players theron, must be using that justly popular preparation for the teeth, "Programme Sodas." From the immense demands there is for that article, the most delightful, convenient and efficacious beautifier and preserver of the teeth the world overproduced.

### Agricultural Congress.

The Third Session of the Agricultural Congress is to meet at St. Louis, on Monday, the 25th of May. The meeting is under the auspices of the St. Louis Fair Association, and correspondence from every section of the country indicates a full attendance. All Agricultural and Horticultural Societies are entitled to representation by one delegate for each fifty of its members, and are earnestly requested to co-operate.

### Cahoon.

Attention is directed to the advertisement of B. F. Martin, Calhoun, Tennessee. It is not necessary to tell our readers in the lower end of the county that Dr. Martin is one of the best merchants in Tennessee, and that his assortment of Goods is always large and complete. His present Spring and Summer Supplies are particularly full, and were selected with special reference to the wants and tastes of his friends and customers. Of course, everybody, male and female, will call and examine his stocks before looking elsewhere.

### Athenian Literary Society.

We are indebted to the young gentlemen of the Society for the opportunity of enjoying a very pleasant entertainment at the hall in the College Building last Friday night. The debate was very creditable to the parties engaged, and seemed to deeply interest the large audience in attendance. Such debates are highly beneficial—where mind collides with mind and stirs and arouses the vigor and brings out the strong points of the youthful intellect, training it to the habit of thinking for itself and to travel occasionally outside the well-trodden range of the books, to forge in pastures new and among fields fresh with original venture. A highly pleasant incident of the occasion was the introduction at intervals of some excellent music, instrumental and vocal. We don't remember when we have passed an evening more agreeably.

### Burglary.

The Family Grocery House of Tom Caldwell, near the Depot, was broken into last Saturday night and provisions and goods to the amount of several hundred dollars stolen and carried off. A portion of the property was found on Sunday secreted in the woods less than a mile from the scene of the robbery. Several parties were arrested on Sunday, and had an examination before the Magistrate's Court—two of whom were committed to jail, and a third one held in a bond of \$250.00 to answer to the charge. It is thought the principal thief is still at large. A system of thieving and plundering has been going on about the town and in the neighborhood for two or three years, and there seems to have been very little effort to ferret out and bring the offenders to punishment. All good citizens are interested in their detection, and we trust herafter more vigilance will be exercised in discovering the thieves, white or black, that they may be visited with the utmost rigor of the law.

Further arrests were made on Wednesday, making five now in prison as connected with the robbery: John Shook and Ruf. Morgan, white; Caleb McDermott, Ab. Hamilton and Jerry Lucas, black. Other parties are wanted.

### CHIPS, and THINGS.
